Christine Lennon, M.D.

Assistant Professor of Anesthesiology
Director, Liver Transplant Anesthesia Service
Department of Anesthesiology
Weill Cornell Medicine, New York, NY

Rohan Panchamia, M.D.

Instructor in Anesthesiology
Department of Anesthesiology
Weill Cornell Medicine, New York, NY

Cindy Wang, M.D.

Assistant Professor of Clinical Anesthesiology
Department of Anesthesiology
Weill Cornell Medicine, New York, NY
Location: Weill Cornell Medical College Conference Room A-950

Target Audience: Weill-Cornell physicians in Anesthesiology, other interested physicians and health care providers, and students.

Course Objectives: This CME activity is intended to lead to improved patient care and safety based upon an assessment of gaps in physician knowledge, competence and performance. By the conclusion of this series, physicians should learn new content relevant to their practice that informs and thereby improves the clinical care they provide.
