April 29, 2019

Memorial Sloan Kettering Cancer Center Invited Guest Speaker

“Perioperative Medicine: The European Approach”

Hartmut Bürkle, M.D., Ph.D.

Chair and Professor

Department of Anesthesiology and Intensive Care Medicine

University of Freiburg, Germany

Location: Weill Cornell Medical College Conference Room A-950

Target Audience: Weill-Cornell physicians in Anesthesiology, other interested physicians and health care providers, and students.

Course Objectives: This CME activity is intended to lead to improved patient care and safety based upon an assessment of gaps in physician knowledge, competence and performance. By the conclusion of this series, physicians should learn new content relevant to their practice that informs and thereby improves the clinical care they provide.
