**Target Audience:** Weill-Cornell physicians in Anesthesiology, other interested physicians and health care providers, and students. **Course Objectives:** This CME activity is intended to lead to improved patient care and safety based upon an assessment of gaps in physician knowledge, competence and performance. By the conclusion of this series, physicians should learn new content relevant to their practice that informs and thereby improves the clinical care they provide.

## CME Accreditation and Credit Designation Statements

Weill Cornell Medical College is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
